

AGG

ALLIANCE GLOBAL GROUP

Our background, business philosophy, current capabilities,
and future growth.

Our Mission: Always striving, improving, and pushing the limits of ourselves to ensure the success, safety, and security of our clients, partners, and Country.

Solid Foundation, Minimal Risk

A summary of our CEO's background and business philosophy

Our CEO and Founder: Conrad Ferrer

Upon his retirement from the U.S. Marine Corps in 2011 and with over 20 years of service, Mr. Ferrer had the strength and drive to start his own company, help others accomplish their success, and consistently deliver results to stakeholders. His business development, operations, and program management experience led him to found Alliance Global Group, LLC (AGG)

Since our inception, we have held true to our values by learning how to truly listen to our employees, our clients, and our partners. Our employees know the impact they have within the company and that we will work with them towards their success. Our clients and partners rely on us to understand their mission and deliver on their objectives, even under complex and challenging circumstances. Alliance Global Group holds a core management vision and philosophy based on responsibility, accountability, and trust. We work tirelessly to foster an environment that promotes ethics, continual growth, and large-scale achievement.

Our unique approach:

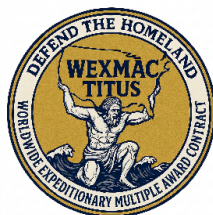

AGG's business has grown organically through strong business relationships and recommendations from satisfied clients. Our approach to serving those clients has been one of quality over quantity. We never over promise to simply gain more work. We utilize industry best practices to push the limits and redefine solutions for our customers, no matter how complex the requirement. AGG leadership empowers our employees to apply their acquired knowledge and expertise to deliver quality solutions and consistently exceed client expectations.

Alliance Global Group is a SDVOSB CVE, and Asian Pacific American Owned firm that has earned an outstanding reputation for delivering reliable solutions for our customers, always meeting their needs for readiness.

We work to ensure we provide the most experienced, efficient, and committed service to complete projects on time and in budget.

Our business has grown to include several contracts, with work being performed in Virginia, Maryland, Ohio, Texas, Georgia, and Massachusetts.

Our Areas of Expertise

AGG has cultivated a set of core capabilities in the following functional areas:

Foreign Military Sales (FMS) Provides highly skilled professionals to offer our clients cradle to grave resources in the FMS process. With extensive knowledge to include Letter of Request (LOR) to Letter of Acceptance (LOA), Contract Award, Contract Delivery Requirements, Logistics, Billing, Reconciliation, Foreign Disclosure Policies and Case Closure.

Financial Management Services: Supports Appropriations Law, Accounting, Auditing, Federal Budget Process, Internal Control, Budgeting and Performance, Budget Cost-Benefit Analysis, and PPBE Efforts.

Logistics and Supply Chain Management: Performance metrics to monitor improvements and planning of supply chain transformation. Manage the process flow between the point of origin to final destination, ensuring efficiency and security.

Program and Administrative Management: Supports planning, organizing, and directing operations, resources, and activities to streamline processes, increases proficiency through on time and in-budget completion. Includes call center support systems and facilities management implementation.

Information Technology: Applies technical expertise to manage and optimize critical strategic, tactical and operational support (Cloud Services, Cyber Security, Training, Consulting).

Our strength lies in our agility and adaptability when faced with changing requirements. We are committed to providing the highest quality solutions and services to our clients. Our dedicated team of talented professionals have a proven track record of exceeding expectations. Given the opportunity, we would love to add your business or agency to our growing list of satisfied customers.

Tactical Data Links (TDL): AGG has expanded its services and offerings into the Tactical Data Link (TDL) market space. Building a TDL team with a focus on Link 16, designed to deliver un-matched technical acumen, trusted experts, and a 100% focus on customer satisfaction.

Aviation Maintenance, Program Management, and Technical Services: Proudly serving the US Warfighter and supporting the Department of Defense (DoD) with Aircraft and Support Equipment (SE) Maintenance Repair and Overhaul (MRO), Aviation Program Management and Technical and Training Services, committed to our customer's mission success and readiness.

Clean Energy and Decarbonization: Committed to making our global environment a better place to live in. We provide Zero Emission technologies, mitigation solutions, processes, and decarbonization products and services support the requirement for clean energy and decarbonization across the public and military sectors providing holistic solutions and market-ready products and services.

Working with our partners to respond to common challenges, enhance mutual security, and build long-term reciprocal relationships.
